 Factory Automation and  
 Production Systems

**Publication Chairman:**  
 Prof. Dr.-Ing. habil.  
 Philipp Beckerle  
 Chair of Autonomous  
 Systems and Mechatronics

## Conference on Medical Technologies Integrated Systems in Medical Technologies

### EXHIBITION & SPONSORSHIP

#### Exhibition

An exhibition offers SMEs and newcomers the opportunity to present their products/innovations/inventions to a wide audience. Another goal of the exhibition is raising the interest of industrial customers.

#### Exhibitor packages:

- Standard: 3m x 2m 500,00 €
- Premium: 6m x 2m 750,00 €
- Always included:
  - table/chair
  - power supply
  - participation of one person at the conference
- Cooperation partners receive a standard exhibitor package free of charge.

#### Sponsorship opportunities

##### Bronze

- 30 minute presentation at the conference
  - Sponsorship of items such as conference bags, lanyards for name badges, notepads and pens
  - Logo appears on
    - Conference homepage with link to website
    - Conference proceedings, call-for-paper and in the program booklet
    - Organizational slides displayed at the conference
- 2.000 €

##### Silver
